wishbone 3-drawer cabinet

W28

The wishbone 3-drawer cabinet is a stand-alone or companion to wishbone desks and may be placed beneath all skram desk models. Hardwood veneer longwoods are hand book-matched. Construction is mitered, 'waterfall' edges and mortise-and-teonon joinery. All edges and corners are reinforced with solid timber for added durability. Drawers are solid maple with cork-lined bottoms riding on soft-closing concealed runners and opening via low profile tab style drawer pulls. Lower drawer is configured for legal/letter files. Custom sizing and finish options are also available. Residential or contract use.
