wishbone credenza

W51

The wishbone credenza is offered in a variety of veneer and metal finishes. Standard configuration is with 6 drawers (3 per tier). Hardwood veneer longwoods are hand book-matched. Construction is mitered, 'waterfall' edges and mortise-and-tenon joinery. All edges and corners are reinforced with solid timber for added durability. Drawers are solid maple with cork-lined bottoms riding on soft-closing concealed runners and opening via recessed, integral pulls. Optionally, lower drawers may be outfitted with file bars. Custom sizes, configurations, and materials are available. Residential or contract use.
